**Dear Carissa,**

Good morning. We had an excellent Leadership Training and Rep Council on Saturday for your CVTA Site Reps. It was great to be back in-person after two years of holding the annual conference virtually. Hope your weekend was wonderful!

Here are a few important items to share this week:

- **Printers:** If you do not have a working printer in your room, or access to one very near your room, please let me know. No one should purchase ink using their own money.
- **Air Conditioners:** I would also like to know if you continue to have issues with your AC after submitting any work orders.

**CVTA Virtual Office Hours: Tuesday, 9/20/22**

Please join us any time between 4:30pm - 5:30pm if you have a question, would like to share a concern, or want to just visit with some members from other sites. We look forward to seeing you on Zoom!

**CVTA Member Spotlight:** [You may nominate someone here.](#)

This week we are proud to recognize Kevin McGee, educator at West Shores High School!

Kevin was nominated by a colleague who wishes to remain anonymous and here is what that colleague had to share with us:

Mr. McGee is a great teacher at West Shores High School! During the quarantine he made us all laugh with his tik tok videos, which were used to engage his students during distance learning. As a coach, he is taking his X-country team to Catalina Island this season, and I am just so impressed at how much he does for us as his colleagues, and even more so, all he does for his students! We are lucky to have Mr. McGee at West Shores! Thank you for being a great friend, coach, and teacher!

Congratulations to Kevin McGee for being this week's CVTA member in the spotlight!

MasterConnect Tip: Not able to see the curriculum maps for your grade to make your trackers? Please follow these simple steps!

- When you go to MasteryConnect make sure you are on your HOME TAB
- Under your profile picture you will see Edit profile
- You will be able to edit the grade you teach (Only pick the one that you are teaching right now)
- Then click on ALL the subjects you need (elementary teachers will need to click on ALL subjects. Some teachers might want to also click on ELD and Other subjects based on where their assessments are housed. Check link below!!!!)
- NOW you will be able to see all of your maps for your grade level.

We also created a spreadsheet with a list of all benchmarks and formative assessments that live in MasteryConnect and which maps you will need in order to see the assessments. You can also see the link at the top of every pacing guide as well
