Opportunity to switch to The Standard

From April 1 through May 31, 2022, CTA members covered by a different insurance carrier have a special opportunity to switch their coverage to CTA-endorsed Disability and Life insurance from Standard Insurance Company (The Standard) without answering health questions. Before applying, members should compare their current plan with the CTA-endorsed plans to understand how any differences may impact their personal situation.

Learn more about the benefits of choosing The Standard in this recorded webinar. [View webinar.](#)

Compare plans or learn how to switch coverage at standard.com/cta/portover.

For costs and further details of the coverage, including exclusions, benefit waiting periods and any reductions or limitations and the terms under which the policy may be continued in force, please contact Standard Insurance Company at 800.522.0406.

Panelists Needed for Transfer Interviews - **Still needed**

With the new language regarding interviewing for transfers, we are going to need some panelists for the interview panels. We will need at least 2 CVTA members for each panel, and teacher panelists are paid for their time (both during the school year and the summer, as transfer opportunities become available). **If you are interested in being on a panel at your site for incoming transfers, or being available for summer panels, please let me know.** The language is very specific about CVTA assigning their own panelists, so telling your admin you are available is not sufficient. (Note: a transfer is a move from one site to another. A move within your current site is a reassignment, and is not subject to the interview process. Reassignments will continue to use the seniority process.)

CVTA Committees - **Still needed**

It's the time of year again to begin planning committees for the 2022/2023 school year. [Attached is a list of all CVTA Committees.](#) Please take a look at the list and let me know if you are interested in supporting your union through committee work.
