Good morning!

This is a relatively quiet week, but there is a CVUSD School Board meeting on Thursday. Join us there in person if you can!

**"I Cause Learning" Video:** As mentioned before, this is an optional activity. Additionally, it has been shared with me that these videos will be placed on school site websites and belong to the district.

**Cameras in the Classroom:** Please let us know if you hear anything about cameras being mounted in classrooms at your site. We were notified by a site rep that they were currently being installed at his site, and when asked, HR seemed surprised that IT hadn't contacted us about it. Those of you who were here during COVID may remember the \$1 million spent on those cameras that follow you around in the classroom, which were meant to be used if we were in a hybrid situation. Apparently those are the ones they were beginning to install. As we get more information we will update you on this issue. In the meantime, remember it is both a contract violation and an ed code violation to be recorded in your classroom without your permission.

**April 1st Notice of Vacancies:** Our CBA states that the district must post all known vacancies available for transfer on April 1st. Because of the RIFs, many vacancy postings will be delayed because it isn't known which ones will actually be vacant until final RIF notices are given in May. Expect to see only those vacancies not affected by the RIFs posted on April 1st.

Have a great week!
