Good morning! Next Monday is Memorial Day, so next week's email will be sent on Tuesday morning. Enjoy the 3-day weekend. If you have any loved ones who gave their lives for our freedom, we acknowledge that sacrifice and thank your family.

We held our final Rep Council Meeting last week, and several important items were discussed. If you have questions about the check-out process, next year's assignments, or the steps to create a combo class, be sure to reach out to your site rep(s).

End of Year Social

Our Social Chair, Kelly Reilly (LP), has planned our end of the year social to take place on June 7th. We hope you will be able to join us for a bit of time! The event is for CVTA members only at Red Robin in La Quinta from 4:00 pm - 6:00 pm.

Important Information

- We continue to experience that CVUSD Cabinet (Dr. Esparza, Mayela Saucedo, and Maria McLeod) is not providing needed information to us. Withholding this information will continue to degrade admin/labor relations. We need the Rehire List and Site Staffing Projections. We are unable to answer your questions related to these two items and have contacted CTA for next steps.
- Public comments submitted electronically are no longer read aloud at school board meetings. We aren't sure what they are doing with them and they won't even acknowledge they received any.
- The next school board meeting is on June 13th (the scheduled summer meetings are in the calendar below). CVTA continues to attend summer meetings...if you are around, please consider joining us. Many significant decisions are made over the summer which will affect your working conditions.

CVTA Member Spotlight [\(Nominate someone here\)](#)

This week we would like to recognize **Armida Luna at LP!** Armida Luna was nominated by a colleague who wishes to remain anonymous.

Here is what that colleague had to say about **Armida Luna**:

Ms. Luna is the VAPA teacher and the site coordinator for the Migrant Afterschool Program at Las Palmitas Elementary. She is committed to excellence in everything she does. The artwork has cultural relevance and meaning for the students, as they excel in site, district, and public competitions and shows. She also goes above and beyond for our migrant students while she coordinates and provides a beneficial and meaningful supplement to the daily lives of our migrant students. Further, she has also assisted in parent outreach and has made a substantial difference in the lives of many students. I am thankful we work together and honored to know her as a fellow stakeholder.

Congratulations to **Armida Luna at LP!!**

Wishing you all a great week with your students!
