August 5, 2020

Good evening. Today we met with the District for the seventh time to continue working on an MOU (Memorandum of Understanding) regarding Distance Learning for the 2020/2021 school year and **we were able to reach agreement**

The MOU can be accessed in the attached link. Please take the time to read it carefully.

Two Bargaining Unit Member meetings will be held virtually tomorrow (8/6/2020) to go over the MOU while also providing the opportunity to ask questions. You must register through the link on the attached flyer in order to attend one of the meetings.

Voting for the MOU will take place on Friday and Saturday (8/7/2020 and 8/8/2020) via email. The link will be sent to the personal email we have on file for you, if you have provided one. Only CVTA Members will be allowed to vote.

**We want to thank you for your patience and support during this process.** We believe your efforts to persuade the District to do the right thing helped accomplish our goals. Our success rests on our members' willingness and ability to stand together in solidarity as we worked our way through this process. We will still need your participation and support as we move into negotiating the transition into the Hybrid Model.

Thank you, and please reach out to your CVTA elected leaders if you have questions that are not answered tomorrow and need support.

Sincerely,

Carissa Carrera
