RECITALS

This MOU will go into effect on October 30, 2023 and sunset on June 30, 2024. The purpose of this MOU is to create a virtual English course pilot program for West Shores High School (WSHS). The program will allow credentialed single subject English teachers from secondary schools to teach one (1) virtual English course during their preparation period to WSHS students, which will include planning, teaching, grading and communicating with parents. Teachers will be compensated at \$85 per day or per diem, whichever is higher. When using approved leave, teachers will be compensated for the day. As part of this program virtual pilot teachers will receive the following equipment from the district: dual monitors with cords, a motion camera, a headset and a document camera.

The students enrolled in this pilot program will be supervised by a certificated substitute teacher who will be responsible for attendance and supporting the students in their work with the virtual teacher. The district will continue to advertise the vacant WSHS positions with the intent of finding a permanent teacher. Once a permanent teacher is hired these pilot program positions will be discontinued.
