Article VIII - Grievance Procedure

8.1 Definitions:

8.1.1 A "grievance" is a claim by one or more unit member(s) or the Association that the district has violated, misinterpreted or misapplied a provision of this Agreement.

8.1.2 The "grievant" is a unit member, unit members, or the Association making the claim.

8.1.3 A "day" is any day in which the central administration office of the District is open for business.

8.2 The purpose of this procedure is to secure, at the lowest possible administrative level, equitable solutions to the problems which may from time to time arise affecting the welfare or working conditions of unit members and the Association. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

8.3 Procedure:

8.3.1 Informal Level: Before filing a formal written grievance, the grievant may attempt to resolve the grievance through an informal conference with the grievant's immediate supervisor. Such conference, as well as actual formal filing of a written grievance in the event the conference does not resolve the problem, must take place within the applicable time limits as outlined in Level 1 below.

8.3.2 Level I: No later than twenty (20) days following the act or omission giving rise to the grievance, or no later than twenty (20) days following the date upon which the grievant reasonably should have known of the act or omission, the grievant must present such grievance in writing to his/her immediate supervisor using the grievance form with a copy simultaneously provided to the Association. The written grievance shall describe the event giving rise to the grievance, must list the specific provisions of this agreement which were allegedly violated, and must state the remedy sought by the grievant. The immediate supervisor shall communicate a written decision to the unit member within ten (10) days after receiving the grievance. If the grievance is denied the immediate supervisor shall state, in writing, the rationale for the denial.

8.3.3 Level II: If the grievant is not satisfied with the disposition of the grievance at Level I, he/she may file the grievance in writing with the Superintendent or his/her designee, within ten (10) days after receipt of the Level I response. The Superintendent or his/her designee, shall communicate a decision in writing within ten (10) days after receiving the appeal. Either the grievant or the administrator may request a personal conference within this time frame. The Association may, when filing an Association grievance, commence the grievance at Level II.

- 8.3.4 Level III: Within the time limits for appeal to Level IV, the District and the grievant, with the Association's approval, may, by mutual agreement, elect to submit the grievance to mediation to attempt to resolve the grievance by informal agreement prior to proceeding to Level IV. If there is agreement to submit the grievance to mediation, the parties shall contact the California State Conciliation Service and request that a mediator be appointed. The mediation shall be limited to whichever comes first, six (6) hours of mediation or twenty (20) days after the request to the California State Conciliation Service to appoint a mediator. The parties may mutually agree in writing to extend this timeline. Statements and offers of settlement made in the mediation process shall not be referred to in subsequent proceedings. If mediation does not satisfactorily resolve the grievance, the grievant may appeal the grievance to Level IV.
- 8.3.5 Level IV: If the grievant is not satisfied with the decision at Level II, or if Level III is unsuccessful in resolving the grievance, he/she may request in writing that the Association submit the matter to final and binding arbitration. The request to the Association must be done within ten (10) days of the response to Level II or if Level III is used within ten (10) days after the conclusion of Level III.
- If the Association decides to submit the grievance to arbitration, it will so notify the District within ten (10) days of receiving such request from the grievant.
- If the District and the Association cannot agree on an arbitrator within three (3) days, either party may request the California State Conciliation Service to provide a list of seven (7) arbitrators from which the parties shall strike alternately until only one (1) name remains, with the first strike determined by a flip of a coin. The remaining name shall be the arbitrator.
- 8.3.6 The arbitrator's decision shall be in writing and shall set forth the findings of fact, reasoning and conclusions of the issues submitted. The arbitrator will have no power to add to, subtract from, or modify the terms of this Agreement. The decision of the arbitrator will be submitted to the District and the Association and will be final and binding upon the parties. If any question arises as to the arbitrability of the grievance, such question will be ruled upon by the arbitrator only after he/she has had an opportunity to hear the merits of the grievance.
- 8.3.7 All costs for the services of the arbitrator, including fees and expenses, shall be shared equally by the Association and the District. Other expenses, including witness fees will be borne by the party incurring them.
- 8.4 A grievant may be represented at all stages of the grievance by an Association representative(s).
- 8.5 All records dealing with processing of a grievance shall be filed separately from the personnel file of the participants.

- 8.6 Failure of the District administrators to meet the timelines specified after the informal step of the grievance of the grievance procedure shall render the grievance valid and the resolution sought shall be effectuated.

Failure of the grievant and/or the Association to meet the time lines specified after the informal level shall render the grievance void and denial for cause by the grievant and/or Association.

Time limits provided for each level shall begin the day following receipt of the grievance appeal or written decision.

- 8.7 No reprisals of any kind will be taken by any member or representative of the administration or the Board or by the Association against any grievant, any party in interest, any member of the Association, or any other participant in the grievance procedure by reason of such participation.
- 8.8 No party of interest at any level of the grievance procedure will be required to meet with any administrator concerning the grievance without a representative present.
- 8.9 When it is necessary for a representative designated by the Association to attend a grievance meeting or hearing during the work day, he/she shall be released without loss of pay in order to participate in the forgoing activities. Any unit member who is required to appear in such scheduled meetings or hearings as a witness will be accorded the same right.
- 8.10 Forms for filing grievances and other necessary documents will be prepared jointly by the Superintendent or his/her designee and the Association. The District shall provide for printing such forms.
- 8.11 A unit member may at any time present grievances to the employer and have such grievances adjusted without the intervention of the Association, as long as the adjustment is reached prior to arbitration and such adjustments are not inconsistent with terms and conditions of the written Agreement. If any employee presents a grievance on his/her own behalf, the Association shall have the right to be present and state its views at all grievance meetings. The District shall not agree to a resolution of the grievance until the Association has received a copy of the grievance and the proposed resolution and has been given the opportunity to file a response.
- 8.12 At the option of the Association, the arbitration may be held under Expedited Rules of the American Arbitration Association. Notice of such option shall accompany the demand for arbitration.

Article IX - Transfers and Assignments

9.1 Definitions:

- 9.1.2 A voluntary transfer is one in which the transfer is initiated by the unit member.
- 9.1.3 An involuntary transfer is one in which the transfer is not initiated by the unit member.
- 9.1.4 A reassignment is a change of departments or grade levels at a worksite.
- 9.1.5 A vacancy is a bargaining unit position the District has decided to fill.

9.2 Notice of vacancies:

On April 1, the District shall advertise a list of all known vacancies via email and post the list at each school site and the District Office. The Association President shall also be provided a copy of the notice of vacancy. The notice shall specify a deadline for applying for the vacancy, which shall not be less than six (6) workdays from the initial date of posting. Unfilled vacancies may be posted to outside candidates following the transfer process. Bargaining unit members shall be notified each Monday via District email of any new vacancies.

The District is exempt from posting vacancies ten (10) workdays prior to the first day of school in order to place a teacher in a class as close to the beginning of the school year as possible. Any positions filled in this manner shall be posted as a vacancy on April 1.

The notice of each vacancy shall clearly set forth the qualifications for the position, the assignment, school site and the date by which the applicant must file the application.

Should a vacancy be filled after the first workday of the school year, that position will be considered filled for that school year by a probationary or permanent teacher, and that position will be posted as a vacancy for the following school year on April 1st. Positions held by emergency credentialed teachers shall be considered vacant positions.

9.3 Voluntary transfer or reassignment:

Certificated personnel who desire a reassignment may submit a written request which includes the grade level, and/or subject desired with the principal and/or designee.

Certificated personnel who desire to transfer to another school may file the appropriate form with Human Resources (Certificated Personnel). The written request is to include the school, grade, site and/or subject desired. If more than one school is requested or would be considered, the schools should be placed in priority. During the summer, job vacancies will be advertised via email, as outlined in Article 9.2. Unit members who

have applied for the transfer or reassignment shall be considered for the position prior to applicants from outside the district.

In acting on requests for a transfer or reassignment, the following criteria shall be considered in the order listed:

- A. Appropriate certification
- B. Interview by a panel that shall include at least one site administrator and at least two-unit members selected by CVTA (a ratio of more unit members to administrators shall be maintained). The panel shall make the final decision from one of the internal candidates. No unit member shall be permitted to more than one (1) transfer during the school year.

The District shall notify the unit member if not given the transfer or reassignment. The unit member may within ten (10) days of the notice request the reason(s) for not being selected for the transfer or reassignment. The District shall provide the reason(s) within ten (10) days of the request.

9.4 Involuntary transfers or reassignment:

An involuntary transfer or reassignment shall be made only for the following reasons: A decrease in the number of pupils which requires a decrease in the number of unit members, elimination of program(s) and/or funding or school closings, compliance with State and/or federal requirements of programs in which the District participates.

- 9.4.1 Voluntary transfers or reassignments will be considered prior to initiating involuntary transfers or reassignment.
- 9.4.2 No unit member shall be subjected to more than one involuntary transfer of assignment or school site during the school year.
- 9.4.3 In the event that student enrollment is low, involuntary transfers or reassignment will be utilized prior to hiring of new teachers.
- 9.4.4 Notice will be given of involuntary transfer or reassignment as soon as practicable, and except in cases of emergency, not later than three (3) days before the school year is over.
- 9.4.5 No unit member may be involuntarily transferred or reassigned arbitrarily or capriciously.

9.5 If a decrease in the number of pupils or the elimination of program(s) and/or funding occurs, the District shall seek volunteers prior to making any involuntary transfer/reassignment. If an involuntary transfer/reassignment becomes necessary, the unit member with the least seniority with the appropriate credential shall be transferred or reassigned. No unit member shall be subjected to more than one (1) involuntary transfer or reassignment during the school year.

- 9.6 If a particular school is to be closed or have its grades reconfigured, unit members at that school site shall be accorded first priority for filling any new or vacant positions at the school or schools to which the pupils at the closing school are being placed and the unit member is credentialed.
- 9.7 Unit members from the closed school or reconfigured school shall also be accorded first priority in filling all vacancies that arise for which they have an appropriate credential. When two (2) or more unit members apply for the same vacancy, the members shall be interviewed by a panel that shall include at least one site administrator and at least two-unit members selected by CVTA (a ratio of more unit members to administrators shall be maintained). The panel shall make the final decision from one of the internal candidates.
- 9.8 Unit members returning from leave shall be accorded all rights provided under this Article.
- 9.9 Unit members who are transferred/reassigned during the school year shall be allowed two (2) days of paid release time for preparation prior to the effective date of the transfer/reassignment. The district shall provide assistance in moving a unit member's materials whenever a unit member is transferred/reassigned.
- 9.10 Notification of Assignment:

Each unit member shall be given written notice not later than three (3) days before the school year is over, of each year of the next year's assignment. Such notice shall specify the building, grade level, grade and subject area to which the unit member will be assigned.

Article X - Evaluation

10.1 Evaluation Process

10.1.1 It is recognized that a system of periodic evaluation is essential to assist teachers in developing competency and realizing their potential. It is further recognized that information gathered through a system will enable Board of Education decisions, for which a unit member's competence is relevant, to be made in a just and equitable manner.

10.1.2 Probationary and temporary unit members shall be evaluated each school year. Permanent (tenured) unit members may be evaluated every other school year. Permanent certificated employees who have been with the District at least ten (10) years and whose most recent evaluation ratings have met or exceeded "satisfactory" may be evaluated at least every five (5) years, provided the employee and the primary evaluator consent. The certificated employee or the evaluator may withdraw consent at any time and return to the "at least every other year" cycle. A conference shall be scheduled prior to the return of the two-year cycle. Certificated employees who are teaching in the current core academic areas defined in the ESEA shall also be required to meet the definition of "highly qualified" as stated by the Act.

If a unit member is scheduled to be evaluated during a particular school year, but is granted a leave of absence for one (1) semester or longer, such evaluation shall take place during the first year of return to duty.

10.1.3 Unit members to be evaluated during a particular year shall be furnished a copy of the evaluation procedures, advised of criteria upon which the evaluation is to be based, and notified of the identity of their evaluator no later than October 15th of the year in which the evaluation is to take place.

10.1.4 In the event the identified evaluator is no longer at the site, unit members shall be notified of their new evaluator no later than 15 days after the start date of the new evaluator's assignment. The evaluation process will continue with the new administrator where the prior administrator left off in the evaluation cycle. Unit members under permanent status, who have demonstrated satisfactory performance from their most recent evaluation, may either elect to continue the evaluation cycle with their newly identified evaluator or restart the evaluation process the following year.

10.2 Evaluation Procedure

Permanent unit members shall be referred for mandatory participation in the Peer Assistance & Review Program as a result of an unsatisfactory final evaluation. "Unsatisfactory" is here defined as having received "Does Not Meet Standard" rating in eight out of twenty-five elements in at least three of the five standards, excluding Standard Six. This will be reported as a "Needs Improvement" rating on the overall evaluation section of the Final Summative Evaluation Form. This language will be added to the Final Summative Evaluation Form.

1. The purpose of participation in the PAR Program is to help veteran teachers in need of development in subject matter knowledge or teaching strategies or both.

The Consulting Teacher may submit the final report prior to the end of a full semester if she/he believes further assistance will not be productive because significant improvement has occurred. The VT may terminate his/her participation in the PAR program at any time without a requirement to give a reason for said request.
2. Unless requested by the VT, information obtained by the Consulting Teacher while working with the VT cannot be utilized in the evaluation process and/or as the basis for mandatory participation in the PAR process.

19.4.2 Professional Teacher Induction Program

A. Mandatory Participation

Pursuant to changes in the California Education Code and rulings by the Commission for Teacher Credentialing (CTC), there shall be mandatory participation in the Professional Teacher Induction Program.
