### **School Board Elections - VOLUNTEERS STILL NEEDED**

We will need volunteers to support our endorsed candidates by helping out with CVTA election activities. Please let us know if you are willing to volunteer your time, and how you prefer to help. We continue no contact precinct walking and phone banking on October 24th and 31st. Please contact us for more information!

## Please let us know if you would like yard signs (those who reside within CVUSD boundaries)!

### **Safety Protocols in the MOU and District Guidance**

In light of the situation at the District Office, it is important to remember that each of us is responsible for adhering to the safety language in the DL MOU and in the District Safety Protocols. Even more than that, it is our responsibility to speak up if and when we see these protocols NOT being followed. This is a serious pandemic we are experiencing, and now is not the time to turn a blind eye and hope it all works out for the best.

Please take the time to read the DL MOU articles 2.0 and 3.0, specifically 2.04, 2.08, 3.01, 3.02.1, 3.06, and 3.14. [Find the DL MOU here](#).

Also, please refer to the Safety Protocol Document presented at a board meeting and also shared at your first staff meeting. [Find that presentation here](#). Important to note is:

- required face coverings
- required social distancing
- posted reminder signs

- must limit group activities
- **staff is to practice social distancing indoors and during lunch**
- required self-check questionnaire posted at entries and temperature checks
- must sign-in and out
- **staff should not mingle while on site**

Unfortunately we have adults in our District who have not and are not abiding by these protocols, and are thereby putting others at risk. Become familiar with the protocols, speak up if you notice they are not being followed, and most importantly, stay home if you are sick. Items in the DL MOU can be grieved, and employees may be disciplined for not following protocols.
