Greetings!

Good morning! Spring Break is rapidly approaching...remember that on Thursday April 14th, you may leave at the same time as the students, after completing any required duty assignment (CBA Article 12.1.6).

Sick Day Donation MOU

The MOU was passed overwhelmingly last week. Certificated staff now has a mechanism for donating days to specific people, following the requirements in the MOU of course. Jasmine Persaud in HR is the contact for catastrophic requests and now for donation requests of this type.

Transfer opportunities

On Friday April 1st, the first list of transfer opportunities was sent out from HR. Please remember transfers are now done by interview, unless there is only one applicant for a position. Any new transfer opportunities from this point will be emailed on Mondays for the remainder of the school year and throughout the summer.

Panelists Needed for Transfer Interviews - **Still needed**

With the new language regarding interviewing for transfers, we are going to need some panelists for the interview panels. We will need at least 2 CVTA members for each panel, and teacher panelists are paid for their time (both during the school year and the summer, as transfer opportunities become available). **If you are interested in being on a panel at your site for incoming transfers, or being available for summer panels, please let me know.** The language is very specific about CVTA assigning their own panelists, so telling your admin you are available is not sufficient. (Note: a transfer is a move from one site to another. A move within your current site is a reassignment, and is not subject to the interview process. Reassignments will continue to use the seniority process.)

CVTA Committees - **Still needed**

It's the time of year again to begin planning committees for the 2022/2023 school year. [Attached is a list of all CVTA Committees.](#) Please take a look at the list and let me know if you are interested in supporting your union through committee work.
